

About Vermont Adaptive Ski and Sports

Mission

Vermont Adaptive Ski & Sports is committed to empowering individuals with disabilities. We promote independence and further equality through access and instruction to sports and recreational activities.

Statement of Belief

We believe sports and recreation provide a physical, mental and social experience that is immeasurable in promoting self-confidence and independence in an individual. We extend an enormous thanks to our affiliates, sponsors, and partners who believe in our mission and vision, and who afford us the opportunity to bring sports and recreation to our clients' lives.
